

## CARE ASSISTANTS FOR LEARNING DISABLED PEOPLE IN THE UNITED KINGDOM

**Global Resource Bureau Ltd.** is currently looking for care assistants to work in a private centre for challenging behavior called The Pines, located in Weybridge, Surrey County.

### **Major Tasks and Responsibilities**

To provide direct support service users who exhibit extreme challenging behaviour to manage the behaviour and to enable them to participate in a wide range of therapeutic and social activities.

To uphold social work values and to ensure good working practice including understanding and awareness of health and safety.

To promote the independence and develop the skills of service users and assist with all tasks necessary to ensure positive life emergencies.

To work positively with other agencies, parents, carers, and other services to ensure a quality provision of care for service users.

Develop and contribute to the maintenance of service user records and support plans and act as a key worker when required.

To ensure that the living environment of the service users is clean and appropriate to meet each individual's needs.

To participate in regular and ongoing training relevant to the needs of the service users.

### **Skills and Experience**

Experience that would give the post holder insight into issues in relation to working with people with a disability who exhibit challenging behavior.

SVQ level 2

Good literacy and numeric skills.

Willingness to undertake further training as required.

Evidence of continuing professional development

Good Practical Skills

Good Observational Skills

Flexibility, Empathy and Approachability.

Ability to work as part of a team.

Experience of community participation.

Driving licence which enables you to drive a mini-bus or other service user transport.

Experience of working with Learning Disabled adults and also with people who have ASD.

A resilient and assertive nature

Ability to remain calm in a crisis

To understand your own feelings about being challenged

Ability to form positive relationships with service users, colleagues, parents and other professionals.

Sensitivity and understanding of discrimination and health and well-being issues.

Flexible approach to work patterns and bases and ability to work within a shift-based rota system

Ability to work effectively as part of the support team and in multi-disciplinary settings.
