

DOMICILIARY CARE ASSISTANTS / HEALTHCARE ASSISTANTS/ AUXILIARY NURSES / GERIATRIC ASSISTANTS

Work as a Carer for the Elderly in the UK a large prestigious company, based in Devon (South West of England) is recruiting Care Workers for their home care service for Elderly Clients .

Variety of superior locations of the UK, both rural and large town/ city Job.

Duties:

The successful Carer Assistants should have experience of Caring either for family members or working in a Nursing/Residential Home/hospital or caring for people in the community for a professional care establishment where personal care was delivered. You must be reliable and have a caring nature. A driving Licence is ESSENTIAL

Skills and Experience:

Must have good communication skills both verbal and written in English in order to safely administer medications, manage a care plan and have a clear understanding of the client's needs and ensure you are being clearly being understood by infirm and elderly patients. An ideal Care Worker will be qualified in a care related subject, although we believe that empathy, excellent communication skills and a commitment to quality care is equally important.

Main Responsibilities:

You will be driving to your clients home and daily assisting them with day to day duties to include: Dressing, Washing, Shopping, Cooking, Medication assistance and Companionship.
