

Mobile Phone Repair Technicians (Level 2)

More jobs from Transline Group

Our multinational client is a major player within the electronics repair business. This rapidly expanding company is currently recruiting Mobile Phone Repair Technicians to work on their sites in Northampton (UK) and Ashford (UK).

As a Level 2 Technician, you will be responsible for disassembly/reassembly of mobile phones, diagnostics, replacing parts and repairing faults. A good attention to detail is a must, and ideally you will have a technical/electronics background and a genuine passion for this industry.

You will be working on some of the most advanced phones on the market today including iPhone, HTC, Nokia, Sony Ericsson etc. As an approved repair centre, our client offers great training opportunities and future career development prospects.

Our ideal candidate has:

- **Strong interest and experience with electronics**
- **Solid work history**
- **Up-to-date knowledge of modern technology**

The following shift patterns are available:

06:00-14:00 and 14:00-22:00 Monday–Friday (Rotating Weekly)

Salary: £7,00-£7,50 per hour

You can apply for this job by sending a CV/Written application (in English) to:
mikefinnerty@transline.co.uk
